

# SMC Wajarri Education Employment and Training Fund Proposal Form

The SMC Weld Range 'Native Title and Heritage Sustainable Benefits Agreement' with the Wajarri Yamatji people (WY) will enable the development of the Weld Range mine 70kms north of Cue.

One of the benefits negotiated is the WY Education, Training and Employment Fund, managed by SMC, which has a budget of \$100,000.00 per annum.

**SMC encourages organisations, which have clearly defined objectives, to apply for unallocated project funding that supports the Wajarri people in the following ways:**

- Local Stay at School Strategies
- School based work experiences
- Provision of vocational information to schools and communities
- Scholarship Programs
- Traineeships or pre-employment initiatives or courses

**Please note funding cannot be provided for:**

- Individuals
- Political or religious donations
- Adult recreational sport
- Travel
- Indirect appeals (fundraising events, advertising)
- Retrospective funding (events or programs that have already taken place)

Before submitting a proposal, applicants should discuss current unallocated funding availability with the Wajarri Liaison Officer.
